#### Égalité

Introduced in January 2013, Égalité is the first nationally-distributed wine created in support of LGBT equality in the United States and around the world. Meaning 'Equality,' the name Égalité is both a reflection of the wine's French origin and a celebration of equality for gay Americans.

This exquisite Crémant from the Burgundy region of France offers hints of peach and honey blossom on the palate, with a clean, dry finish found only in the finest Champagnes.

No celebration is complete without a great sparkling wine. And as the first wine specially created as a celebration of equality for gay Americans and all those who support this noble cause, Égalité is the perfect touch for weddings, engagements, anniversaries, galas, New Year's or any celebration of equality.

Since its introduction, Égalité has attracted the attention and praise of media, wine enthusiasts and LGBT advocates across the United States and throughout the world.

For every bottle of Égalité sold, a portion of the proceeds will be donated to organizations dedicated to helping LGBTQ youth conquer life's challenges.

## Wine Tips & Tidbits

### Choosing the Right Wine Glass

**Syrah** ~ Glasses made for Shiraz and syrah tend to be smaller than other red wine varieties. The bowl generally has a 20 ounce capacity and is severely tapered inwards. The glass has a mid-size stem and wide base. The shape of the bowl is intended to first present the fruit aromas, followed by the tannin flavors.
